

Company & User Settings

The screenshot displays the RSign Admin interface. At the top, there is a navigation bar with icons for Home, Send, Envelopes, Templates, Stats, Account, and Settings. The user is identified as Megan Greene. The main content area is titled 'COMPANY' and 'PERSONAL'. A search bar for users is present, with a placeholder text: 'Please Enter Email Address (Empty Search will get Company Settings)'. Below the search bar, the settings for 'North End Associates' are displayed. The settings are organized into a table with columns for the setting name, 'N' (No) and 'Y' (Yes) buttons, a green checkmark, a black square, and a refresh icon.

| Setting Name | N | Y | Green Checkmark | Black Square | Refresh Icon |
|---|-------------|-------------|-----------------|-----------------|--------------|
| Allow Users to Create and Use Rules | Red N | Dark Grey Y | Green Checkmark | Black Square | Refresh Icon |
| Allow Users to Use Rules | Dark Grey N | Green Y | Green Checkmark | Black Square | Refresh Icon |
| Allow Users to Create Message Templates | Dark Grey N | Green Y | Green Checkmark | Black Square | Refresh Icon |
| Allow Users to Create and Use Template Groups | Dark Grey N | Green Y | Green Checkmark | Green Checkmark | Refresh Icon |

Admins can easily manage company-wide settings and even decide which settings should be locked and enforced for all users, groups of users or individuals, and which settings can be modified by end users both at the account level or for each individual envelope.
