RPost named a Leader
IDC MarketScape Worldwide eSignature Analyst Report

In the report, IDC evaluated 18 electronic signature vendors across 27 criteria within two important categories: **Capabilities** and **Strategies**. RPost is well-positioned in both categories.

Aragon Research

RPost named a WINNER
Innovator 2023 Aragon Research

RPost has been awarded the prestigious "Innovator" award by Aragon Research, in the category of DTM following the earlier naming of RPost as Hot Vendor.

What Do Our Customers Say?

JUNGHEINRICH

▶ I feel valued by RPost staff that our input and our requests are taken seriously. The human factor is still very important for us.

Coca-Cola

▶ We've been using RSign for a number of years, and it has worked very well in managing back and forth around transactions.

What Do Our Partners Say?

iManage

▶ Our integration with RSign has given us the ability to seamlessly integrate an eSign solution which is not only efficient but robust, with only a few clicks we can easily pull documents back into iManage for storage, making it easy for our customers to automate their workflows.

INGRAM MICRO

▶ RSign has been great for us because they have a very flexible offer. Some of the competition out there have very rigid offers and plans.

Enhance your eSignature Security with our AI Technology

AI Auto-Lock™
When cybercriminals can see your eSign transactions, they have the context to build sophisticated lures that can lead to financial loss and business email compromise crimes.

RPost AI will detect cybercriminals attempting to snoop on your transactions even if external at the signer, and pre-emptively auto-lock the content to **"Un-leak Leaks"**.
